

SPONSORSHIP

The Village Publishing Club is a volunteer, member-driven organization of enthusiastic authors and lifelong learners. With vibrant minds and unbounded curiosity, we discover, share, and build business and social connections with like-minded individuals in a rich learning culture. Our mission is to empower writers of all genres by providing the tools, resources, and support to publish and market their work. We foster a welcoming community where authors and aspiring storytellers connect, collaborate, and thrive on their journey to publication.

While volunteers are the lifeblood of the club and a primary reason we are so successful, sponsors are critical to our financial sustainability. Please consider sponsoring our club to develop lasting bonds with members and promote the long-term success of your business. Your support of the Village Publishing Club will help you:

- Build business relationships and foster your company's positive reputation;
- Generate brand loyalty and boost your company's visibility;
- Engage with prospective customers and showcase your product or service.
